| <b>Step 3 - List of women who have been supported in part 1 of phase II of the project .....</b> | <b>5</b> |

## 1. Background

COVID-19 continues to affect lives and livelihoods around the world, one can already see that the pandemic and its economic fallout are having a regressive effect on gender equality. **To support the women who lost their husbands to Covid -19 pandemic (Covid Widows) and their families, Hero Moto Corp, launched a Project - 'Hero for Humanity' in different states of the country. For implementing the project in states of Odisha and Karnataka, Association for Business Women in Commerce and Industry (ABWCI) has been selected as implementing partner.** Under phase 1 of Project, a total of 300 Covid Widows were selected from both the states for extending basic sustenance support for six months.

## 2. Project Implementation

The implementation of Phase II of entailed the following steps:

### **Step 1 – Skill Mapping and need assessment the of the target beneficiaries**

After the signing of the contract with Hero Moto Corp, ABWCI conducted an assessment from the period February 2022 to June 2022, for identifying and selecting project beneficiaries. Under phase 1 of Project – Hero for Humanity, in total 300 Covid Widows were selected for extending basic sustenance support for six months. The beneficiaries were women whose husband died due to Covid 19 Pandemic, between the period February 01, 2022 to till date.

The final list also included special cases like Covid Widow who were needy and didn't have children, they would be provided ration support only. Similarly, the list had Covid widows who have children below 5 years, i.e; the ones who are not of school-going age, such women were also provided with ration kit only and no monetary support for education.

A Detailed profile of skill sets of each of the Covid Widow was done and for an in-depth understanding of their families.

### **Step 2- Orientation Meetings for Covid Widows**

Orientation meetings with women were organized in each of the districts of 2 states. The meetings covered the following topics:

- Understanding the skill set, livelihood option suggested by the beneficiaries
- Feasibility of setting up the enterprise with respect to the demographic parameters and other contributing factors
- Developing the business plan
- Estimate budget (factoring in the infrastructure available with the project beneficiary)

Some photos of the orientation meetings with women have been pasted below:

### Step 3 - List of women who have been supported in part 1 of phase II of the project

A total of 122 women have been supported from Odisha and 93 from Karnataka have been supported with material for setting up a small enterprises, the details are as under. At the end of the phase I, a total of 250 women were identified for support as they had expressed interest in livelihood support. But during the orientation meetings some of them backed out as a few were moving from the city to the native villages and a few got a job during this period and others moved in with their parents or relatives.

#### Phase II (Hero for Humanity- State Odisha -District Bargarh)
